

Job Service North Dakota

What Employers Are Saying About Business Services

"Job Service North Dakota has been a great addition to our overall sourcing strategies. They have made the posting of current job openings easy and convenient. The candidates that Job Service has supplied have been a wonderful addition to the IC System family."

- Heather Merritt, Human Resources, I. C. System

"Jobsnd.com is one of the first sites we go to for posting our positions. Not only is it free, but we actually get qualified candidates very quickly and are able to search their database for candidates. We use the site for all of our positions from Receptionists to Engineers and IT professionals. It has been a great resource for Applied Engineering."

- Stacey Breuer, Staffing Director, Applied Engineering, Inc.

"Packet Digital, LLC uses both the New Jobs Training and Workforce 20/20 Programs through Job Service North Dakota. The New Jobs Training program has helped us to supplement the cost of hiring and providing on-the-job training for new employees as we quickly grow our company. One simple form completed each quarter allows us to receive the state withholding of our new employees for several years. We learned about the Workforce 20/20 Program through one of the Job Service workshops and implemented it as often as possible. This program has helped us to supplement and justify the cost of providing outside training for our workforce. While it requires a little more reporting, Job Service officials have always been extremely helpful in making the process as smooth as possible. Both programs provide Packet digital with necessary funding to expand our educated workforce, and we thank you to have the opportunity to use them."

- Holly Jorud, CPA—Packet Digita

"We have been using Job Service North Dakota as a resource for our recruiting needs for a few years now and have been very pleased! Job Service ND has always been readily available to help assist in posting any open positions within our firm. They are extremely pleasant to work with and very helpful in assisting LJA with our recruiting needs. I am very happy with the services that Job Service ND had provided for LJA and will continue to use them for any future openings we may have. "

- Susie Bitner, Lightowler Johnson Associates, Inc.
